

**I. REMARKS:**

**A. Status of the Claims**

The application was originally filed with claims 1-18. Claims 1-18 are subject to a Restriction Requirement mailed October 7, 2005. No claims are added, amended or canceled herein. Therefore, claims 1-18 remain pending.

**B. Species Election**

The Restriction Requirement states that the pending claims are directed to a number of patentably distinct species, comprising AIT-082, idebenone, ONO-2506, CB-1093, NS521, eliprotil, and SR 57746A. It appears that the Examiner inadvertently omitted propentofylline from the list of species included in the pending claims. Applicant elects the species of AIT-082. For examination purposes, claims 1-5, 7-11, and 13-17 read on the elected species.

**C. Conclusion**

This is submitted to be a complete response to the outstanding Action.
